## 5. Authorization to use Intertek Eco-Certification Mark (获得授权使用 Intertek 生态产品认证标志)

In order to get the authorization to use the Intertek Eco-Certification Mark, we have carefully read all the conditions, terms and regulations on marking stipulated in the Certification Scheme and we are committed to follow these conditions. We will set up effective quality management system to make sure that the bulk production are in line with samples tested for the authorization of the mark.

为了获得授权使用 Intertek 生态产品认证标志, 我们已经仔细阅读了所有有关认证标志使用的规定和条款, 并承诺严格遵守这些条款。我们会实施有效的质量管理体系, 以保证所生产的大货产品与测试样品一致。

We will keep Intertek informed of any alterations of materials, technical processing and chemicals/dyestuffs used in the production, after we have received the confirmation from Intertek the alterations for the products or the production of products approved for certification and may be so marked. If the authorization to use the mark is withdrawn, because the production controls, market surveillance or other methods such as on-site evaluation and sample testing reveal the conditions and requirements of Intertek Eco-Certification are not satisfied, or the details initially provided by us are not or no longer correct, we will terminate the use of the mark.

我们会及时将生产过程中的有关原材料、工艺技术以及染化料的改变通知认证机构，只有在认证机构对此进行评估和确认后，才会使用 Intertek 生态产品认证标志。一旦认证机构的生产监控、市场监控、现场评审或是抽样测试显示产品未能符合 Intertek 生态产品认证的技术要求而被撤销授权不能再继续使用标签时，将按照认证标准规定不再继续使用标志。
