

# 企业社会责任审核

## 你准备好了吗？

### 挑战

西方国家的消费者越来越重视手中的商品是否从符合社会道德的工厂生产出来的，全球的各大买家也越来越关注其供应链是否符合企业道德规范。作为供应链其中一个环节的工厂，经历了各种各样的买家验厂。越来越多的验厂，使企业疲于应付。

### 我们的解决方案

#### C-TPAT保障供应链安全

如果贵公司有产品要销往或以后有可能会销往曾经遭受过9.11恐怖活动袭击的美国，请不要犹豫，马上联系我们Intertek，申请C-TPAT认证。您的产品可以由快速通道进入美国，减少海关检验环节；最大程度保障您的产品从生产开始直到到达目的地过程中的安全，减少您的损失并赢得更多美国商家的青睐。

（友情提示：C-TPAT特别适用于出口到美国市场所有行业的生产商和供应商）

#### BSCI监督系统

如果贵公司生产的产品要销往除英国之外的欧洲各国，请不要犹豫，马上联系我们Intertek，申请BSCI审查（即倡议商界遵守社会责任组织，是一套由欧洲对外贸易协会发起并建立的以统一欧洲国家，要求各国商界共同遵守的社会责任监督程序），BSCI能有效防止出口到欧洲货物的多重审计，节约成本和时间，而且接受BSCI审查的工厂可以免除AVE审查，使产品在欧洲更具市场竞争力，相信您一定不会错过这个机会，让您的产品在欧洲市场更畅销，接到更多欧洲客人的定单。

（友情提示：BSCI特别适用于出口到欧洲市场所有行业的生产商和供应商）

#### WRAP 环球服装生产社会责任

如果贵公司主要是生产服装及鞋类产品的，且产品将销往美国市场，请联系我们Intertek，申请WRAP认证。作为全球第一家取得成衣责任生产认证计划（WRAP）的第三方审核机构，我们丰富的实践经验表明，生产商及其供应商在通过WRAP认证之后，可以避免重复的社会责任审核，从而节省了大量的时间和成本。

（友情提示：WRAP特别适用于出口到美国市场服装行业的生产商和供应商）

#### SA8000认证

SA8000标准可以帮助企业将社会责任整合到企业规章及生产经营当中，同时也为第三方对企业设施的认证提供了客观依据。实施SA8000认证的益处就是可以大大减少客户审厂的次数，避免重复审核的成本、时间及管理。

（友情提示：获得SA8000认证将等同于业界最佳实践,这个认证适合所有的行业）

#### Generic Audit常规企业社会责任审核

如果贵公司在为如何按照中国的法律法规及客户要求，改善工厂环境和消防安全，以及企业社会责任状况的问题而烦恼时，又或者已经申请做了客户要求的有关企业社会责任的评估报告，却不能让外国客户满意时，请申请Generic Audit（即常规的企业社会责任审核），其费用低、见效快，深受广大Intertek客户的喜爱，它被看作是接受正式社会责任审核前的练兵和演习，通过进行Generic Audit，工厂可以很大程度的提高生产力，优化自身的工作条件，逐步达到客户的各项要求和规定，增强企业的竞争力。

（友情提示：Generic Audit适合于所有按照客户要求，进行企业社会责任评估时遇到麻烦的生产商和供应商）

Intertek并不仅仅是一个审核机构，更是您的合作伙伴，为您提供增值服务，助您完成商业目标！如果能为贵公司成功通过社会责任计划的认证出一臂之力，我们将甚感荣幸！

# Are You Ready for Corporate Social Responsibility (CSR) Audit?

## Challenge

Consumers are more and more concerned with the ethical issues behind the products they buy, and buyers are increasingly focusing on the social compliance of the whole supply chain. As a key section in the supply chain, factories have to undergo multi-audits by investing great amount of money and energy to meet the requirements of various buyers.

## Our Solutions

### C-TPAT Supply Chain Safety Assurance System

Exporters selling to the United States, the country suffered the 911 terrorist attack, may seek help from Intertek for C-TPAT certification, which will help your products entering into the US through express channel, reducing inspections, and ensuring safety from the production site to the destination.

**(Reminder: C-TPAT is applicable to all producers and suppliers in all industries exporting to the US.)**

### BSCI Monitoring System

If you export to the European countries other than the United Kingdom, please call Intertek for BSCI audit. BSCI is a set of social compliance monitoring system initiated by European Foreign Trade Association to set a harmonized social responsibility monitoring system for business sections in European countries. BSCI is an effective way to avoid multi-audits, save time and cost, and make your products more competitive in European markets.

**(Reminder: BSCI is applicable to all producers and suppliers in all industries exporting to the European countries.)**

### WRAP (Worldwide Responsibility Accredited Production)

Producers of garment and footwear selling to the US may contact Intertek for WRAP certification. As the first third party auditor qualified to conduct WRAP certification, we have the experience to say that WRAP certificate can help you avoid multi-social compliance audit, and save cost and time.

**(Reminder: C-TPAT is applicable to all producers and suppliers in all industries exporting to the US.)**

### SA 8000 Certification

SA 8000 standard can help companies integrate social compliance into production and operation process, and at the same time provide basis for third party organizations to perform certification on the company's facilities. The benefits of SA 8000 are to greatly reduce the time of audits, save cost, time and management investment.

**(Reminder: SA 8000 certification is equal to the best practice of the industry, and applicable to all industries.)**

### Generic Audit

If you feel headache about the social compliance condition of your company, or don't know how to improve factory conditions and fire safety to meet the requirements set by the Chinese laws and the clients, or your social compliance audit report is not acceptable to your overseas clients, Generic Audit may help. Generic Audit is the generic corporate social responsibility audit, which is cost effective and efficient, and is the rehearsal before the formal social responsibility audit, which helps the factory to improve productivity and working conditions step-by-step and ultimately meeting clients' requirements.

**(Reminder: Generic Audit is applicable to all producers and suppliers encountering troubles in social compliance audits upon client's request.)**

Intertek is not just an auditing company, but also a partner providing you with add value services and helping you to fulfill business ambitions. We are dedicated to helping you pass the social responsibility audit successfully and facilitating your success in the global marketplace.
