

Comply with the GMP - ISO 22 716

The Challenge

Cosmetics are one of the largest groups of consumer products and are stringently regulated. The New Cosmetic Regulation will make the application of Good Manufacturing Practice (GMP) compulsory in 2013. The international standard for cosmetic GMP is ISO 22 716. Factories have thus a couple of years to be prepared.

Our Solutions

With 20 years of partnering with the cosmetic industry, Intertek has developed in-depth knowledge in the manufacturing processes and GMP's code for cosmetics. Thanks to its qualified auditors network in Europe, America, and Asia Intertek can certify your quality system in relation to ISO 22 716 with integrity and ethics policy.

Intertek is accredited to provide management systems registration services by several internationally recognized accreditation bodies. To help cosmetic industry, we developed a program to offer an audit to comply with the ISO 22 716 standard. We built this program with the same requirements as our previous ones.

When you select Intertek, you will get much more than a certificate, you will get a knowledgeable business partner dedicated to helping you reduce your "non-quality" costs, returned goods, avoid recalls, optimize supply chains locally and globally, and increase sales at a worldwide level.

Our third-party auditing services will supply you with the independent assurance that your customers and stakeholders demand.

化妆品良好生产操作ISO 22 716

挑战

化妆品是种类最繁多的消费品之一，并且受到法规的严格管制。根据新的化妆品法规，2013年将开始强制实施良好生产操作(GMP)。化妆品GMP的国际标准是ISO 22 716，因此工厂只有两年的时间用于准备。

解决方案

凭借20年的化妆品行业服务经验，Intertek拥有化妆品生产和GMP实施的专业技术和丰富知识。Intertek的审核人员遍布欧洲、美洲和亚洲各地，可以根据ISO 22 716帮助客户对质量体系进行认证，同时遵守严格的廉政政策。

Intertek拥有多家国际性认可机构的认可，可以提供管理体系注册服务。为更好地服务于化妆品行业，我们在以往审核服务的基础上，开发出了符合ISO 22 716标准的审核计划。

选择了Intertek，您获得的将不止是一份证书。我们还将与您分享我们的专业知识和经验，帮助您降低“非质量”成本和退货，避免召回，优化本地和全球供应链，从而增加全球市场的销售份额。

我们的独立第三方审核服务将为您提供全面保障，确保您满足客户和利益相关方的要求。
