

# 电子行业行为准则(EICC)审核服务

## 挑战

电子行业的供应链制造企业时常面临这样的问题:不同的客户都有一套自己的行为准则,多重的行为准则必然导致多重的评估和审核,从而导致资源浪费和重复的审核结果。由此建立电子行业统一准则以减少重复,并集中精力用于改善社会和环境方面的问题已经成为全球电子行业及供应链制造企业迫切需要的课题。

## 我们的解决方案

Intertek天祥集团为您提供EICC审核服务

《电子行业行为准则》(Electronic Industry Citizenship Coalition – EICC) (前身为Electronic Industry Code of Conduct),旨在电子行业的全球供应链中,建立标准化的社会责任感行为规范,以确保电子行业及信息通信技术产业供应链的工作环境安全、工人得到尊重,同时确保在制造过程履行必要的环保责任。该准则由一系列的基本规范组成,涉及劳工和招聘、健康安全、环境责任、管理系统和道德规范等,为提高供应商在道德、劳工标准、环保和健康安全方面的表现,EICC提供了和谐的解决方案。

目前许多公司开始关注EICC,任何电子行业或信息通信技术产业的企业均可自愿采用EICC最终延展到企业的供应链及其分包商。

Intertek是少数被EICC-GeSI所认可的审核机构之一,能够向企业提供EICC审核服务。Intertek执行的EICC审核始终以EICC的愿景为出发点并最大化的贯彻EICC使命,真正实现标准化的企业社会责任感行为规范,同时电子、信息与通讯技术的供应链制造商遵守EICC准则可以有助于获得国际买家的认可,增强国际市场竞争力。

## Electronic Industry Citizenship Coalition (EICC) Audit Service

### The Challenge

Manufacturers on the supply chain of electronic industry often face such a headache: different clients have their own code of conduct, and multiple codes of conduct lead to multiple assessments and audits, waste of resources and multiple audit results. Therefore, establishing a uniform criterion throughout the electronic industry to reduce multiple audits and focusing on improvement of social and environment conditions have been urgent tasks for the electronic industry worldwide and the supply chain manufacturers.

### Our Solutions

#### Intertek Provides EICC Audit

Electronic Industry Citizenship Coalition (EICC, previously Electronic Industry Code of Conduct) aims to establish standardized social responsibility code of conduct throughout the global supply chain of electronic industry, which is to ensure safe working conditions, respect of workers and performance of necessary environmental responsibilities in the process of production. The criterion consists of a series of basic rules concerning labor, recruitment, health and safety, environmental responsibilities, management system and ethical norms etc. To improve suppliers' performance in ethics, labor standard, environmental protection, health and safety, EICC provides harmonious solutions.

Now, many companies begin to pay attention to EICC. Any company in the electronic or IT industry can voluntarily choose to adopt EICC, and finally extend it to the company's supply chain and its subcontractors.

Intertek is one of the few auditors accredited by EICC-GeSI to carry out EICC audits. Intertek's EICC audit is based on EICC's vision and reflects EICC's mission, which implements standardized corporate social responsibility code of conduct in its true sense, At the same time, supply chain manufacturers in electronic and IT industries can win recognition by international buyers through complying with EICC criterion, and enhance market competitiveness.
