

Intertek, a leading provider of quality and safety solutions serving a wide range of industries around the globe, has partnered with the Hong Kong Trade Development Council (HKTDC) to offer innovative and exclusive verification services for manufacturers, suppliers and exporters advertising on the HKTDC website (www.hktdc.com).

Intertek's verification service is precise and accurate. It enables global buyers to make brand-building decisions for future success of their business and enhances supplier's credibility and attraction to buyers.

Intertek is a leading provider of quality and safety solutions worldwide. From auditing and inspection, to testing, quality assurance and certification, Intertek people are dedicated to adding value to customer's products and processes, supporting their success in the global marketplace. Intertek has the expertise, resources and global reach to support its customers through its network of more than 1,000 laboratories and offices, with over 23,000 people in more than 100 countries around the world.

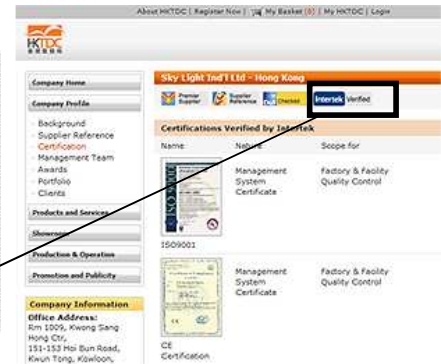

Established by Hong Kong Trade Development Council, hktdc.com - a trusted online sourcing platform that connects over 100,000 credible suppliers verified by renowned authentication companies, attracts over 700,000 worldwide buyers to source products and services provided by China, Hong Kong, and Asian suppliers.

During our promotional period, every HKTDC advertiser subscribing to the [Intertek Verified Services] is entitled to a **FREE** trial. Subscribe now and receive two Intertek Verified Services in the subscribing year regardless of the number of certificates of verification. **First Come, First Serve with Limited Offer!**

Intertek Verified Services gives you EXTRA Confidence!

Major areas for verification are:

- * Safety and Security- e.g. GSV, ETL and other C-TPAT related certificates
- * Management System- e.g. ISO9001, ISO14001
- * Corporate Social Responsibility - e.g. WRAP, ICTI
- * Product - e.g. WOOLMARK, China Toys Export License
- * Other Supporting Documents - e.g. Factory Operation Certificate
