Title:	UAE EESL – Implementing Guidelines for UAE.S 5010-2:2019 and UAE.S 5010-6:2019		
Reference(s):	UAE.S 5010-2:2019 – Labeling – Energy Efficiency Label for Electrical Appliances Part 2: Washing Machines and Dryers UAE.S 5010-6:2019 – Labeling – Energy Efficiency Label for Electrical Appliances Part 6: Dishwashers		
Remarks:	This document provides guidance on the implementation of the UAE EESL Regulation for Clothes Washing Machines/Dryers and Dishwasher.		

## I. Important Updates

- UAE.S 5010-2:2019 and UAE.S 5010-6:2019 shall be enforced beginning 16-December-2019
- All products covered by the regulations indicated in this implementing guideline shall have a valid Certificate of Conformity (under ECAS or EQM) on or before 16-December-2019.
- All products covered by the regulations indicated in this implementing guideline shall be supplied with the approved EESL Label and RFID tags on or before 01-April-2020.

## II. Placement and Display of EESL Labels

All products covered by an existing EESL regulation shall be provided with an approved EESL Label and a valid RFID Tag. Placement and provision of the EESL Label and valid RFID Tag shall be in accordance with the following conditions:

1. EESL labels without a valid RFID Tags are considered void/invalid.
2. Products displayed in the local market (without immediate packaging) shall be displayed with the approved/valid EESL label + RFID Tag where the “label + tag” combination is placed in the most conspicuous area/portion of the product for verification and viewing purposes of the local consumer/buyer/market surveillance authorities.
3. Products with immediate packaging displayed in the local market shall be displayed with the approved/valid EESL Label + RFID Tag where the “label + tag” combination is placed in the most conspicuous area/portion of the immediate packaging for verification and viewing purposes of the local consumer/buyer/market surveillance authorities.
4. The approved/valid EESL Label + RFID Tag shall be supplied together with the product to consumers/buyers even after purchase conditions.
